

Seacoast Stormwater Coalition Meeting

Dover Community Services Building, 271 Mast Road
Dover, New Hampshire

Wednesday, July 25, 2018, 1:00 – 3:00 p.m.

1. **Introductions:**
2. **May 23, 2018 & June 27, 2018 meeting minutes:** Not available yet – forthcoming at a later date
3. **General Announcements:**
4. **Notice of Intent workshop** – Gretchen Young, SSC; Jamie Houle, UNH Stormwater Center; Jennifer Rowden, Senior Planner, Rockingham Planning Commission; and Julie LaBranche, Senior Planner, Rockingham Planning Commission.

Feel free to bring your laptop or a print out of a blank NOI to fill out as we go.

- Fill out Part I of the NOI
Please bring the following information:
 - A) The contact information for either the Town Administrator/ Manager, City Council, or Select Board. These are the folks who are legally able to sign the contract and for those under the 2003 Permit, it should be whomever signed their last annual report.
 - B) The adoption dates of any IDDE ordinance, construction site stormwater control ordinance and/or post construction stormwater control ordinance. This is only for those communities under the 2003 Permit. The information should be included in the annual report, but you may need to look back at old reports to find the exact date. All reports filed with EPA are available here for reference:
<https://www.epa.gov/npdes-permits/2003-small-ms4-general-permit-archives-massachusetts-new-hampshire#nh>
- Fill out Part II of the NOI including reviewing impaired watershed mapping provided by RPC.
Please bring the following information:
 - C) A copy of any outfall map whether complete or not, that the community has as part of their MS4 program or just general information. If towns don't have a copy of the map, copies of town maps will be available and individuals can mark on them.

5. **Other Business?**
6. **Next Meeting Date and Agenda:**
