# Zoom- Helpful Hints

- If you are having issues with video connection or sound- **close out** and sign back in.
- If you are having bandwidth issues (things seem low or delayed) try **turning off your video**.
- Use the **chat** feature if you need assistance or to ask a question. Enter your question and hit “enter”.

# Zoom- Helpful Hints

- If issues persist **use your telephone** to call the provided number and follow along- documents will be posted to the blog.
- You should be muted, but never use the call in feature and audio on your computer at the same time as this will cause an echo effect.
